

European Suzuki Viola Gathering 2022

ESVG 2022

Vayamundo
Ostend, Belgium
October 7-9, 2022

Registration now Open

Please register by August 1, 2022

We are excited to announce that registration for ESGV 2022 is now re-opened. The third European Suzuki Viola Gathering, ESGV 2022, will be held October 7-9, 2022, in the coastal town of Ostend (Oostende) Belgium.

ESGV 2022, like its predecessors in Watford (2017) and El Escorial (2019) will be a wonderful opportunity for Suzuki viola pupils, teachers, families and interested observers from across the ESA community to meet and to play music together.

ESGV 2022 will build upon the sense of community so evident at ESGV 2017 and 2019. Once again Suzuki violists from across Europe and further afield will gather to learn and play together.

ESGV 2022 will be more informal than many other Suzuki workshops. We have planned the programme so that all family members will have the opportunity to participate. Registration fees will be kept as low as possible. Those who teach at ESGV 2022 will do so on a volunteer basis.

Closing Concert at ESGV 2019

ESGV-2022 will include

- Opening play-in
- Traditional viola group classes
- Viola choir and viola ensemble
- Viola for violinist classes for Suzuki violin pupils and teachers
- Viola for parents class
- Parent/teacher round table
- Teacher discussion session
- Teacher ensemble – reading session
- Saturday evening recital or concert
- Final concert Sunday afternoon

Musical Direction:

Juan Drown (UK), Joanne Martin (France/Canada)

Administrative Direction:

Peter King (France/Canada), Mona Kodama (UK)

Local Organization:

Geert van Renterghem

Location

ESGV 2022 will take place in Vayamundo, an attractive hotel and conference facility, situated directly on the beach in Ostend. Vayamundo will provide meals and accommodation for all attendees. All classrooms and meeting rooms will be in the same location, to help assure the success of ESGV 2022.

Travel

Ostend is 110 kilometres west of Brussels and easy to reach by frequent trains from the centre of Brussels, from both Brussels and Charleroi airports, and from many other European locations. There is a small airport in Ostend. Ostend is an attractive town, and in addition to the beach, a stroll along the streets around *Het Visserplein* is strongly recommended. For those wishing to extend their stay, Ghent and Bruges are close to Ostend, and are both well worth visiting.

Registration

for ESGV 2022 is now open at
<https://www.esvg.org/> or
<https://www.esvg.org/esvg-2022/>

Early registration is strongly recommended.

We cannot guarantee that registrations received after August 1, 2022 will be accepted.

Administration and questions

For all questions concerning ESGV 2022, please contact the Administrator of ESGV 2022.
